

MICHIGAN COLUMBUS FEDERAL CREDIT UNION

Providing Financial Solutions

May-June 2020

Returning to the Good Life

As we return to our life before the recent changes we want to remind you of the things that make your life easier. Direct deposit is an easy and secure payment method to electronically deposit your paycheck. It is a safe and quick way to deposit to your account and then you can start using the funds with your debit card.

**Order a debit card
so that you have
access to your
funds 24/7/365.**

Don't be fooled by 0% interest rate offers

It is more beneficial to take the offered rebates and incentives that are offered by the car manufacturers that reduce the amount that you are borrowing and your monthly payment. Call us before you go to the dealership to negotiate your best deal. We can provide a pre-approval for a loan and give you the payment, terms and rate so that you get your best deal. We can start your loan over the phone or you can apply online and the VROOM into a great deal.

Call us if you need to discuss your financial situation. We are here to help you plan through the current changes in the financial landscape. We have experts available to provide information and individual assistance whether you are looking for -

- ✓ Financial Review
- ✓ Financial Guidance
- ✓ Help to create a financial plan or second opinion on your plan
- ✓ Assistance with a specific financial goal
- ✓ Business owner solutions - retirement plans, health insurance budgeting

We are here to help.

Call us at 734-425-5080 or e-mail at service@mcfcu.net

- No annual account maintenance fee
- Free debit card (*free replacement if lost/stolen*)
- Free online bill pay
- Samsung or Apple pay
- Free E-alerts

Ask a member service representative how to open your MCFCU Free Checking account today!

As we negotiate through the current COVID-19 conditions we are taking precautions to keep our members and staff safe and healthy. We may have changed the way we assist you but we want to continue to provide services to you. Our office has not closed during this outbreak and we plan to remain open and available to assist you. If you come into the office we are practicing safe distancing and limiting the number of members in the lobby. Be prepared to wear a mask. Call us and we can assist you to create a solution without you coming into the office.

Please note

We will be changing our computer system in February 2021.

Come in, call or email any updates to your account contact information so that we may keep you informed of the changes. Set-up an appointment or call to review your account information.

**WE WILL BE CLOSED SATURDAY, JULY 4
IN OBSERVANCE OF INDEPENDENCE DAY**

Purchase a Visa gift card for a graduate and we will add \$10 to the value of the card as a gift from MCFCU to CLASS OF 2020 students. Plus you will be entered into a drawing for a \$50.00 bonus paid to you.

Two \$50 drawings in June and July.

Offer ends July 31, 2020.

CLASS OF 2020

Congratulations
graduates
